Prefab model information

**WALT use model making to represent WW2.**

**Your task:** create a model to represent a WW2 prefabricated ‘prefab’ bungalow.

Here is a list of resources you may have at home to help you create your model.

- paper
- pens
- card
- pencils
- straws
- scissors
- fabric
- rulers
- wallpaper samples
- shoe boxes
- Sellotape
- cereal boxes
- glue
- old pieces of carpet
- wood

**Before you start making your model, you will need to plan how it will look and what resources you will need.**

**Prefabricated ‘Prefab’ bungalow**

- How many areas / rooms are there?
- How will you separate these in your model?
- What fixtures and fittings will you need in each room?
- What resources will you require to create your model and the fixtures and fittings?
